Toddler Time at Talcott

Beginning Monday, Jan. 12, Talcott will host a weekly story time for one and two year olds. A parent or caregiver must stay with the child(ren). Children and adults will read together. Participate in singing, making crafts, and enjoying play activities. Two sessions will be offered, one at 9:30 and the other at 10:15 am. These sessions are free to families in the Stateline community.

Computer Classes

Computer help is available at the Talcott Library. Register for a computer session with Mary Lou to learn whatever computer skill you need to know more about by calling or visiting the library to set up a session time. The cost is \$5 for Talcott patrons and \$10 for those from other libraries. Classes are held on Mondays and Saturdays.

January 2009

Adopt-a-Book Great Success

The 6th annual Adopt-a-Book project was the best ever! Over 35 wonderful, new books were added to the library collection due to the generosity of our patrons. A variety of remarkable children's books, as well as young adult and adult books, were selected for adoption. A huge thank you to those who participated. Look for a photo in the Rockton Herald in the coming weeks.

Game Day Reminder

Ages 10-14 are invited to Game Day (board games) on Dec. 30 from 1:30 to 3. No sign-up is required. Treats will be provided!

Thank You Very Much!

Thank you to everyone who participated in the Chocolate for the Talcott Soul celebration! All of the donated treats made for a very successful event that was appreciated by all.

Thank you to everyone who donated books for the Friends' book sale. Thank you to everyone who purchased books as well!

Homeschooling Information

A packet of homeschooling information, compiled by Rockford Public Library, is now available at Talcott. Although the notebook is non-circulating, pages may be copied at no cost.
