Our path to PrairieCat concludes this month!

We've started our transition to our consortium and software. Parts of the process to note:

- No processing of Inter-Library Loan requests from May 4 thru May 21
- Library will be offline (no logging in at home) from 3pm Saturday May 18 thru May 21
 - No materials checked out will be due during this transition week
- Your patron reading history (if you have it) will not transfer. See a librarian for how to download your reading history before May 18. Reading history will be available on the new website, but everyone must start fresh

We apologize for any inconvenience, but we are sure you will love what is coming next!

To become familiar with PrairieCat you can go to search.prairiecat.info

The screenshot shows the PrairieCat search results for 'Gone Girl'. The search bar contains 'gone girl' and the results are sorted by Relevance. Two results are shown: 'Gone girl : a novel / Gillian Flynn' and 'Gone girl [videorecording] / writer, Gillian Flynn ; director, David Fincher'. Both results show availability at Andalusia PL Stacks and provide options to request or view more details.
